

Sexual Health Empowerment (S.H.E.) Clinic

Program Intern

The S.H.E. clinic is a program of Midwest Health Center for Women that focuses on the sexual health care needs of lesbian and bisexual women. The clinic provides sexual health care services, screening, referrals and information geared towards the unique needs of this community.

We are looking for an interested intern to be an important part of the S.H.E. Clinic team.

Stipend available

Time Commitment:

- Fall semester with opportunity for continuation
- Approx. 110 hours. Hours will vary depending on outreach needs and events

Requirements:

- ✓ Detail oriented
- ✓ Organized
- ✓ Self-motivated
- ✓ Computer savvy
- ✓ Strong communication skills
- ✓ Interest/involvement in the GLBT community
- ✓ Flexibility

Responsibilities May Include:

- Coordinating various projects such as visibility campaigns and outreach
- Compilation of referral manual
- Inputting and managing databases and volunteer information
- Assisting with the development of clinic and outreach materials
- Special projects as identified

Interested candidates please send resume and cover letter detailing your interest to Jessica at np@midwesthealthcenter.org
